

## CITIZENS FOR A NO-KILL ANIMAL SHELTER

**“WE ARE AT THE R.C. SHELTER *TODAY* (available for adoption)  
*PLEASE DON'T LET THEM KILL US!*  
WE WANT TO LIVE!”**

Rancho Cucamonga kills approximately 3,000 puppies, kittens, dogs and cats a year.

Current California law says: “It is the policy of the state that no adoptable animal should be euthanized if it can be adopted into a suitable home. [F&A Code, Section 17005(a)]. “Redemption of owned pets and adoption of lost or stray adoptable animals is preferable to incurring social and economic costs of euthanasia.” {SB 1785 of Statutes 1998, Section 1(b)(1)}.

- Rancho Cucamonga Animal ‘Shelter’ is killing dogs and cats when there are empty cages!
- Almost 7,000 animals pass through there every year and there is NO veterinarian on staff!
- Rescuers had homes waiting for animals but pound officials killed them anyway!
- The County is getting nearly \$750,000 a year to run our facility.
- They are doing a terrible injustice to our animals!

- 1) Fire San Bernardino County from running our shelter. Hire a compassionate no-kill administrator.
- 2) Commit to a NO-KILL operation for all adoptable and treatable animals.
- 3) Hire a staff veterinarian for the thousands of animals impounded each year.
- 4) Allow a volunteer advisory committee made up of rescuers to oversee our shelter’s performance.

**There are no-kill shelters proving it can be done.**

No extra taxes! Private funds will be solicited to cover additional costs.

Local rescues support this issue! Save thousands of kittens, puppies, dogs and cats!
